

**Manual candidate screening is time-consuming, but critical to protect your business from reputational damage and £20,000 fines to ensure staff have the right to work in the UK.**

Automate your screening process to run a large number of candidate checks faster and have confidence that you're fully compliant.

## Benefits:

- **Quickly on board candidates** and create new profiles
- **Validate and process a high volume** of documents and passports checks fast with automatic online completion
- **Track candidate progress** on your dashboard and access fully auditable case histories
- **Reduce manual admin** and create savings to the business
- **Improve your time** to hire
- **Ensure you're always compliant** with the latest legislation
- **Improve your candidate experience** with an easy on boarding process

## Key features:

- 80% of checks completed automatically
- Over 140 checks - reference, identity, financial, DS/ DBS and the ability to add more
- Run Right to Work checks from your screening platform or use the stand alone app
- Automatic alerts of imminent expiry dates of passports, visas or DBS
- Cloud-based for anytime anywhere access – whether on your PC, tablet or phone
- Secure banking grade encryption to protect your information
- Reusable workflows and templates configured for each client
- Personalise with your brand for consistent candidate experience
- Third party integrations to access supporting data without needing other suppliers
- As simple to use as clicking a button
- Easy to install to start using right away

## Just need to carry out UK Right to Work checks?

With our standalone Right to Work mobile App the process has never been simpler:

- **Easily enter candidate details** to check eligibility
- **Avoid wading through complex regulations**
- **Avoid fines of up to £20,000** to ensure staff have the right to work in the UK
- **Quickly check** nationality status, validate passports, visas and biometric residency permits
- **Simple to use in less than 5 steps**
- **Over 150,000 candidates screened in the last 2 years**

Find out how automated screening software can reduce your time to hire and keep you compliant.
