

Access People Planner - Employee Portal

Access People Planner Employee Portal provides your staff with quick, easy, and secure cloud-based access to essential information. It is responsive so can be accessed and used on any device. Once logged in to the portal staff are presented with a range of self-service options, including updating personal details, viewing and printing rotas, timesheets and payslips and viewing visits and availability.

Additionally, staff can request and accept visits and shifts leading to better coverage.
