

Get off to a strong lockdown lift-off with our turbo-charged CRM

Whether you focus on temporary, permanent or contract recruitment we can help your consultants be more productive in the months and years to come.

Access Recruitment CRM is your central hub to manage assignments, contacts and clients enabling you to quickly match the right candidate to each brief.

Guiding you through the recruitment process, it ensures all tasks are completed in just a few clicks. It streamlines the entire placement cycle and connects with other platforms, whilst providing data insights on your agency's performance. And because it's cloud-based and hosted by Access you don't need to worry about data back-ups, disaster recovery or security.

Accelerate with

Access via any device, anywhere, anytime - online software to give consultants the ultimate flexibility at home, in the office or on the go.

Dashboards and insights - enable powerful reporting so you can keep your finger on the pulse of your agency's performance and profitability.

User-friendly design - means you can place candidates faster and carry out tasks more easily.

Intelligent search system - powerful tools to filter your talent pool, search across profiles, contacts and clients.

Quick CV parsing - instantly create new applicants by dragging a file from anywhere and dropping into the system.

Faster placements - powerful drag and drop Temp Scheduler to manage high volume temp recruitment.

Online timesheets - enabling workers to complete timesheets and send for approval whilst on the go.

Instant system walkthroughs - with no steep learning curve, consultants can fly around the software in an instant.

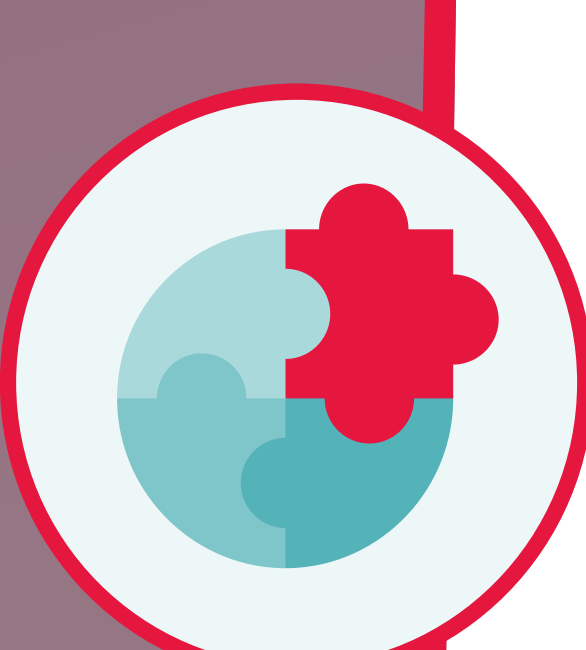

Regular releases and automatic updates - our cloud-based software ensures that you're always using the latest version, so you have access to all the latest features and functionality.

Peace of mind compliance - save time and manage all your compliance from one screen with our central compliance module.

Seamless integrations - fully integrated with Volcanic websites, Access Screening and Access Pay and Bill for a complete end-to-end recruitment process, as well as with our partner eco-system.

"Access allows our consultants to focus on recruiting the best talent so I can make smarter and quicker decisions"

Ricky Martin
Founder and Managing Director,
Hyper Recruitment Solutions

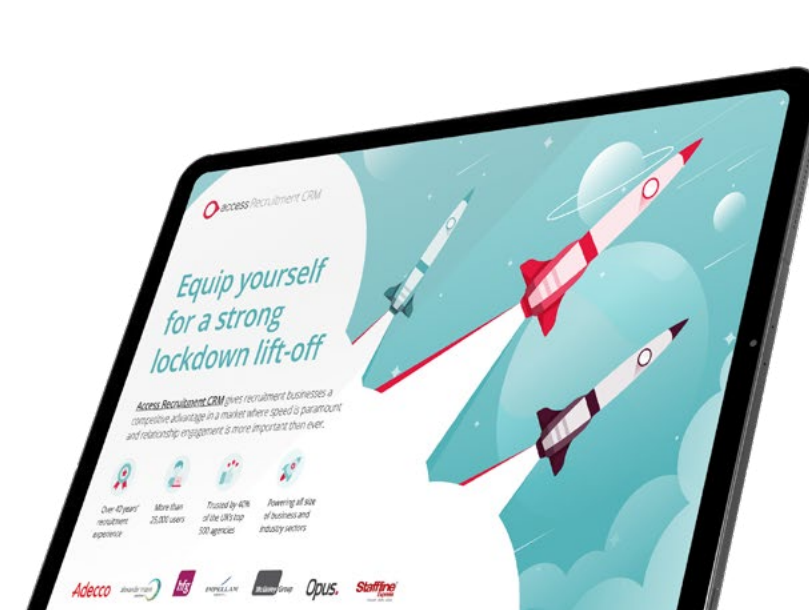

"Access recruitment software is clearly market leading - all products have a high-level of functionality, are user friendly and will help any recruitment business scale up more easily"

Carrie Sheen
IT Manager,
McGinley Group

"The ROI and cost saving is absolutely massive and we only see it getting bigger"

Nigel Ramana
Managing Director,
Opus Recruitment

About Access Recruitment

Access helps the UK's top agencies to simplify the everyday running of their recruitment business to fuel efficiency and productivity, control costs and enable growth. By bringing together best of breed products onto one platform we take care of everything from sourcing, screening and attracting the right candidates, paying workers, contractors and candidates right through to billing clients and managing cash collection. This connected and collaborative way of working brings together every department within your recruitment business - giving you the freedom to focus on clients and candidates.
