Attaché WebStore

ATTACHÉ WEBSTORE OFFERS AN EASY TO USE E-COMMERCE SOLUTION, WHICH FULLY INTEGRATES WITH YOUR ATTACHÉ ACCOUNTS SYSTEM.

Sell online quickly and easily

With Attaché WebStore, you can have a fully featured web store up and running in no time. Whether you're an importer, wholesaler or retailer, you can quickly and easily take your business to the web, attracting new customers and making it easier to service your existing clients online.

WebStore fully integrates with your customer and product records in Attaché, and it's as simple as choosing which products to display, updating your data in the Attaché Accounting system, and the rest happens automatically. Orders from the online store transfer automatically into your Attaché system.

If you've already got an existing website, there's no need to worry. You can simply add on an Attaché WebStore, boosting opportunities to promote your business, increase efficiency, and engage with customers via a fully functional e-commerce solution that you can manage yourself.

Add custom content, promote featured products, special offers and loyalty discounts through an intuitive built-in content management system. Attaché WebStore lets you optimise your content to ensure you get found online.

All this for just $250* per month

Attaché WebStore even includes your hosting, setup and training assistance, with no mandatory transaction fees. Custom templates and a range of enhanced options are also available.

Attaché WebStore includes:

- Integration with Attaché Accounts
- Choice of B2B or B2C store styles
- Choice of pre-formatted template designs
- Content Management System (CMS)
- 10GB data transfer
- Daily backup
