

Released December 2023.

Enhancement

- **Access Documents & Access Document Portal integration has been added.**
 - **Access Documents is available for customers who subscribe to this Access service. Users of Access Tax will have the ability to create PDF Worksheet copy or ATO copy of tax returns and send them to Access Document Portal for eSignature requests from clients, PDFs can also be created and saved directly into Access Documents.**

Minor Defects

- **Resolved an issue whereby the Lodgment process may not complete.**

Security

- **Continuous security updates applied.**
