

Attaché Cloud Hosted Software

Future proof your software - and your business - with our 'Next Generation' Attaché product, cloud hosted on Access Workspace.

Attaché on Access Workspace

Cloud Hosted Attaché

On-premise Attaché

✓ Accounting and payroll only.

- ✓ Integrated accounting and payroll
- ✓ Around the clock software and systems monitoring
- ✓ Your database managed, backed up and secure in the Access Cloud
- ✓ Permissions allow you to control who has access to what
- ✓ Anywhere, anytime access for all your people in multiple locations, on any authorised device.

Attaché on Access Workspace has all of the above, PLUS:

- ✓ **Gain greater control and efficiency**
 - Time and attendance
 - Workforce management
 - HR
 - Learning management system
 - Collaboration tools
 - Analytics and reporting
 - eInvoicing
 - Invoice capture
 - Document management
 - And more!
- ✓ **Highly secure and reliable**
 - Single sign on
 - Two-factor authentication
 - ATO compliance.
- ✓ **Access Analytics included** - our powerful data warehouse and reporting engine that underpins Workspace.
- ✓ **Single source of truth.** Integration across solutions via Workspace means whenever you make updates in one solution, records automatically update.
- ✓ No cost for additional users.
- ✓ Add additional apps as you need them under single sign-on.
- ✓ Customisable dashboards for every user.
- ✓ Employee self-service on everything from data and insights to pay slips and expenses.
