

Access Final Accounts

Release Update

2022.02.01

Version 2022.02.01 released June 2022

Change to Website address

As part of our rebranding exercise, the web address for Final Accounts has changed to <https://finalaccounts.handisoft.com.au>.

We advise that you please save this new web address to your favourites and use from now on. The old address (<https://www.handisoftfinalaccounts.com.au>) will remain active for a short period of time and will redirect to the new address.

Change to Excel Add-in

If you use the Access Final Accounts Excel Add-in, you will be required to download a new version of the Add-in from the App Source Store. You can do this [here](#) or via the Excel App under Insert > Add-ins and search for the app in the store. This is because the version you are using now will no longer work from 15th June.

Here is a [link](#) to a Microsoft Article to remove the current add-in. We highly recommend you remove this as it will not be supported from now on.
