

Released May 2025.

### Changes

- We have undertaken a comprehensive UI/UX uplift to ensure our product aligns seamlessly with other Access Group offerings. All existing capabilities within the product remain unchanged, but every aspect of the application, including forms and reports, has been meticulously reviewed and updated to align with the new UX/UI standards.
- The Evo button, which appears within Access Tax for firms utilising Evo, has been updated to ensure it consistently appears at every login.

### Security

- Continuous security & performance updates have been applied.
